THE BALLOT MEASURES (PROPOSITIONS)

For more detailed information about each of the candidates and the propositions, see the well-researched analyses by *Civic Engagement Beyond Voting* at **cebv.us** and the *Pima County Democratic Party* at **pimavote.com**. **You are urged to**:

VOTE NO to ALL STATEWIDE measures (numbering begins with "1" or "3"):
141, 142, 144, 316, 317, 318, 319, 320

All the eight statewide measures on this year's ballot are proposed by the Republican-controlled Legislature (many of whom are "election deniers") trying to make an end run around the Governor's veto and Democratic legislators. Propositions passed by the voters cannot be vetoed by the Governor and can only be changed by a statewide vote or a supermajority of the Legislature. **These ideologically extremist measures are a travesty of Arizona's citizen-initiative process. They are deceptively worded** and actually aim at de-funding public schools, hampering law-enforcement, promoting discrimination, and undermining the structure and working of local government.

VOTE YES to ALL LOCAL measures (numbering begins with "4"):
421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431

All eleven local measures on various Pima County ballots are sensible, carefully written proposals by local governments (Pima county and schools, City of Tucson, Town of Oro Valley) and are endorsed by the Pima County Democratic Party. Many of them are required to repair the local damage caused by the anti-public schools, anti-tax, and anti-local-control actions of the Republican-controlled Legislature.

★ ***Important note***: **YOU ARE ALLOWED by law to look at this or any paper when you are in the voting booth**, **but you must not display any candidates' names in the polling place**. Please put this paper in your pocket before entering the polling place, and look at it only in the privacy of the voting booth; otherwise you might not be permitted to enter the polling place.
